Total			

* At 'From' and 'To' fill in the postal code and the house number (possibly by approximation).

** The amount of kilometres is determined with the ANWB Routeplanner with the “fastest” type of route and does not consider actual traffic. If you have a good reason as to why the distance travelled during your trip differs, you can discuss this with the treasurer.

Date: …… Signature: ……

Total compensation: …… **km * €0.25 = €** ……

The general travel compensation is €0.25 per kilometer, based on the ANWB’s prediction of the taxless kilometer compensation for 2027.

To be filled in by the treasurer:
